

TURNER COUNTY FAIR HALL OF FAME NOMINATION FORM

A long history of 4-H participation, agriculture and family friendly events is what makes the Turner County Fair a long running success. None of this would be possible without the dedication of so many people. To honor those who've given their time to ensure the Turner County's Fair legacy carries on, we've created the Turner Co. Hall of Fame.

The selection process involves a committee of 5-10 people. Recipients of this honor may be asked to be on future selection committee(s)

Please focus the information on the nominee's: 1. In front or behind the scenes, this person or family is always at the ready to help with whatever the fair may need. 2. Shows dedication year-round, not just during the Four Best Days of Summer. 3. Brings in innovative ideas to make the best better. 4. Displayed their dedication for at least 3 years.
